Dr. Albert D. Wheelon  
Deputy Director (Science and Technology)  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Dr. ~~Wheelon~~: *But*

Thank you for your letter of 29 September 1964 expressing CIA interest in our DoD information analysis centers and requesting classified and unclassified access to such centers. We would be pleased to have CIA personnel use our centers on a selective basis. Since the magnitude of proposed CIA requirements is not known, the application of limited analysis center manpower and dollar resources to CIA problems will have to be worked out on a case-by-case basis. It is possible that some formula for reimbursement may have to be established. I suggest your Office of Central Reference work out the details with our Office of the Director of Technical Information.

Sincerely yours,

*Eugene G. Fubini*
